LOCAL AND GENERAL

Honolulu Commandery will meet in
stated meeting in Masonic Temple at
half-past seven o'clock this evening.

There will be a meeting of the Ho-
nolulu Street Railway Employees Ben-
efit Association at the clubhouse, Be-
retania street, at half-past seven to-
night.

Letters are being sent to all teach-
ers in the employ of the department
of public instruction, asking them to
notify the department if they intend to
remain in their positions with the be-
ginning of the new school year in Sep-
tember.

John Gomes, divorced from Eliza-
beth Gomes a year ago, has been sum-
moned to appear before Circuit Judge
Whitney tomorrow morning to explain
why he should not be fined for con-
tempt in failing to contribute \$10 a
month toward the support of a minor
son.

For the purpose of making arrange-
ments for the annual shirtwaist dance,
the members of the Honolulu Street
Railway Employees Benefit Association
will meet in the clubhouse, Beretania
street, at 7:30 o'clock this evening.
The date of the dance has been set
for the last day of this month.

Willis T. Pope, superintendent of
the department of public instruction,
in recognition of the services ren-
dered by Captain Berger and the Ha-
waiian band in connection with the
recent May Day festival held in Thom-
as Square by the pupils of the public
schools of the city, has written a let-
ter of thanks to the kappelmester.

Active construction of the new Wa-
kane wharf, on windward Oahu has
begun and the pier will be rushed to
completion as rapidly as possible, says
Superintendent Caldwell of the public
works department. The wharf is in
much demand now by the large and
steady stream of freight going that
way for the big Waialua irrigation
tunnel.

The Aloha Chapter of the Daughters
of the American Revolution has pre-
sented the Young Women's Christian
Association with a beautiful silk
American flag. A short time ago Miss
Esther Erlson, general secretary of
the association, remarked that the Y.
W. C. A. needed a new flag, and in
response the D. A. R. made the pres-
entation.

Governor Frear, Land Commissioner
Joshua Tucker, Surveyor Wall and
Forester Ralph Hosmer will leave Sat-
urday morning for the windward side
of the island to inspect some govern-
ment lands at Kaneohe, Kailua and
Hauula, that are to be opened for set-
tlement shortly. Plans for their divi-
sion into homestead lots have not been
completed yet.

The Democratic precinct club, first
of the fourth, in Kaimuki, held a spir-
ited meeting last night for the pur-
pose of a general discussion on the
political situation, and also for the
purpose of electing a county commit-
teeman to succeed W. R. Kinslea,
who recently departed for the coast
with little ceremony. L. A. C. Parish
was unanimously chosen to fill the
position.

The department of public instruc-
tion is now completing plans for the
erection of a new government school
at Kahului, Oahu, for which the legis-
lature, previous to the last, appro-
priated \$5000. Owing to the difficulty
in securing a suitable lot for the new
school, this money has not been ex-
pended, but now that the site has been
secured construction work will com-
mence at once.

Kiichi Sakuma and Kin Sato, a Ja-
nese man and woman accused of
adultery, were acquitted by a jury in
federal court yesterday after a trial
that continued two days and a half.
Arguing that the prosecution had
failed to produce evidence showing
the crime had been committed, At-
torney W. T. Rawlins for the defense in-
duced Judge S. R. Dole to direct a ver-
dict for acquittal.

Officers of the Ahahui Kokua ame
Manawale o na Poole, also known as
the Stevedores' Benefit Society of
Honolulu, have been elected to serve
during the ensuing two years as fol-
lows: Charles Kanekoa, president;
David K. Kaeo, vice president; George
K. Kane, recording secretary; Jack
Kahuna, clerk; E. W. Pala, treasur-
er; Sylvester Kahiloko, auditor;
Benjamin Kaahili, priest; William H.
Thornton, marshal; L. K. Kaimohala,
sergeant-at-arms; board of directors,
Henry Napua, R. W. Kahamaia, Tom
Pedro, Moses Waimanu and Kala-
hooka.

Morning on Change

The sale of a few Pines and the
transfer of a couple of hundred
shares of Oahu Sugar tell the story
of this morning's business on the ex-
change. The sales between boards
were as featureless as they were lim-
ited, 35 Pioneers going at 19, a point
more than was offered yesterday.
The Hawaiian Pines sold at 41.50 up
to near the closing of the session
when it broke to 41.37 1/2, twenty
shares being taken at that figure.
Oahu Sugar, which has had a fair
play for a number of days, retained
its mark of 13.25, and the trading in
it this morning did not run it up.

The same calm seems to have
struck the local dealers as have been
felt in exchanges in other parts of the
country, where sugar has enjoyed a
lax active fluctuation since the ac-
tion in the house on the Underwood
bill.

In a barracks fire in the presidio, at
San Francisco, five members of the
family of Sergt. Geo. H. Schall were
burned to death. Schall has been serving
for twenty-six years, and was about
to retire and buy a ranch when his
entire family was wiped out.

Senator Myers of Montana was
forced to apologize to an elevator man
in the senate building for an epithet
to which the man objected. He calmly
stopped the elevator between two
floors and the senator apologized.

ANOTHER LEGAL BATTLE THREATENS OVER TAXES

Hearing of Attorney General Thayer's
motion to enter a verdict for the
territory in the old tax suit against
John F. Colburn will take place in
Judge Cooper's division of the circuit
court Saturday morning. The govern-
ment won this case some weeks ago.

The original suit was for taxes
amounting to \$1215.73, which Colburn
refused to pay asserting the law un-
der which the levy was made was un-
constitutional. That was many years
ago. Court and other costs, including
interest have nearly doubled the origi-
nal amount, the present judgment
being for \$3402.22.

The attorney general now says that
Colburn has failed to pay some other
taxes since 1908 and that another suit
may be instituted against him shortly.

Twelve-Inch Upholstery And Such Automobile Comfort As Was Never Before Known

As an example of the complete-
ness of HUDSON cars, the uphol-
stering is important. The cush-
ions are Turkish type, 12 inches
deep.

Compare HUDSON easy riding
with other cars you may have
thought of.

Comfort in automobiling comes
from mechanical security—a car
that keeps going as long as you
want it to go, without halt or stop,
and does not require any of the
time-wasting, fussing delays of re-
adjustment or tightening nuts or
bolts that are irritating interfer-
ences with motor car satisfaction.

The New HUDSON "37" Electric Self-Cranking—Electrically Lighted

48 Engineers Build HUDSON Cars
Remember the importance of that
statement. These men who were trained in
97 European and American factories and
have had a hand in building over 200,000
cars, combined their experience and skill
in perfecting the New HUDSONS.

What more can you want?
What better assurance could be
offered than that these men, who possess
about all the knowledge that has thus
far been gained in automobile building,
have joined in saying "The New HUD-
SONS are the best we know."

The HUDSON "37" is their four-
cylinder masterpiece. It sells at \$1875,
completely equipped with electric
self-cranking device and electric lights,
speedometer, clock, top, windshield and
12-inch upholstery. There is nothing
more to buy.

The "51" HUDSON—a Six, capable of
doing 65 miles an hour and a speed of
58 miles in 30 seconds from a standing
start, is offered as a car superior to any
automobile on the market. It sells at
\$2450, completely finished and equipped
as above. Prices are f.o.b. Detroit.
